

Kendall County, IL

By listening to KenCom, the countywide 9-1-1 and dispatch center, you can hear most of all the activity in Kendall County. KenCom answers all 9-1-1 calls in the county and dispatches all Police and Fire operations except for those towns that lie mostly in neighboring counties, such as Minooka, Plainfield, Joliet, Montgomery and Aurora. Most operations are on an assortment of UHF repeaters and simplex frequencies.

Kendall County is one of the fastest growing areas of the state. While on the fringe of the Chicagoland area it has affordable housing stock and new subdivisions are sprouting up daily. Once rural areas are being scraped and paved to make room for new suburbanites.
